CERTIFICATE OF FACTORY PRODUCTION CONTROL

Certificate number Nr. 1327-CPD-0580

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/67/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

„Prefabricated timber building structures with punched metal plate fasteners”

provided for construction of residential and municipal buildings, engineering buildings, storehouses and reconstruction, produced by

„AIG-konstrukcijas” Ltd,

address: 113 Rīgas street, Salaspils, Salaspils territory, Republic of Latvia,
 production site: 1a Dravnieku street, Lielvārde, Lielvārde territory, Republic of Latvia,

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the approved body Certification Centre, Latvian Academy of Sciences has performed the initial inspection of the factory and of the factory production control and performed the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the establishment of factory production control described in Annex ZA of the standard

LVS EN 14250:2010,

were applied.

This certificate was first issued on 3 February 2011 and remains valid as long as the conditions laid down in the harmonised technical specification in reference to the manufacturing conditions in the factory or the FPC itself are not modified significantly and latest 3 February 2014.

Rīga,

3 February 2011

I. N. N. N.
 Chairman of the Board,
 Certification Centre Latvian Academy of Sciences
 Dr. Habil. Eng.
